HOBSONS BAY
CHESS CLUB
EST. 1974

Juniors Chess Coaching

Following are the general terms and conditions for chess coaching at Hobson's bay

General code of conduct

- **Timings:** Students will arrive 10 mins before start of each class. Classes will start and end on time
- **Minors' responsibility:** For students under the age of 18, their parent / guardian is responsible for their whereabouts outside of their assigned lesson time. Please be prompt to pick up any children attending lessons with us as soon as classes have finished. Coaches will leave premises within 15 mins of classes ending.
- **Duty of Care:** Everyone at the club owes a special duty of care to children involved in club activities, with any form of child abuse being a serious breach of conduct.
- **General Respect and Sportsmanship** applies to Coaching classes too. All students and guests are expected to display civility, be kind, and show respect to coaches and other members, regardless of gender, ability, or background.
- **Advance Notice for Absence:** If you are unable to attend a class, please inform your coach or Coaching lead at least 24 hours in advance, or at earliest

opportunity in case of an emergency. This courtesy helps avoid situations where a coach makes the trip to the venue only to find no student awaiting them.

- **Prohibited Behavior:** Verbal abuse, harassment, discrimination, and deliberate distraction or provocation of opponents is unacceptable. Students may be **terminated** for continuous display of prohibited behavior.
- During Games nights players should shake hands before and after games, avoid trash talk or gloating, and maintain a quiet playing environment

Use of Facilities and Liability

- **Facility Use:** All students and parents must respect the provided facilities and equipment and are responsible for cleaning up after themselves.
- **Prohibited Substances:** Smoking, alcohol, and recreational drugs are not allowed inside club premises.
- **Health and Safety:** Students are responsible for their own health and should not attend events if they are ill.
- **Disclaimer:** The club disclaims liability for personal injury, property loss, or damage, and participation is at the student / parent's own risk.
- **Media Consent:** Time to time, we may require photographs and videos of coaching sessions to be used on the club's websites or social media. We will notify you by email when we plan a photo session. By participating, students/parents agree to allow unless they opt out explicitly by email.

Membership and Fees

- While HBCC membership is not mandatory for Coaching, it is highly recommended. Members get access to club events, tournaments, social nights in addition to subsidised coaching fee per term.
- Membership rules are governed by Hobson's bay chess club membership rules
- Members must pay all prescribed annual fees by the due dates
- Coaching fees must be paid for the term before the start of each term. Students may be denied entry if fees not paid on time.

Classes

- Students are required to practice at home each week in between classes. Their coach will assign them homework to practice, and in some cases worksheets.
- Students may be asked to sign up to Lichess (or similar) which are generally free resources. While this is optional, it is highly recommended especially if students are not playing Over-The-Board games.
